Revenue [D.M.II] Department

G.O.Ms.No.20,

Dated. 09 .09.2009

Read the following:-

ORDER:

Government have been reviewing the seasonal conditions from time to time for taking up relief activities in the state in view of prevailing drought conditions. District Collectors have stated that Certain Mandals in their districts received scanty / deficit rainfall with dry-spells resulting in reduction of sown area and moisture stress to the crops sown. The deficiency in the rain fall is resulting in demand for employment in non-farm sector. Certain reports about scarcity of drinking water in some pockets of rural and urban areas are also being received. In some areas fodder problem is also being reported.

2. Keeping in view, the reports received from the Agriculture Department, Directorate of Economics & Statistics and District Collectors, the Government after careful examination and consideration of the relevant factors hereby decide and accordingly declare 971 mandals in 21 districts (as per Annexure-II) as drought affected.

3. The District Collectors shall ensure deletion of the notified municipal/urban areas and areas falling under permanent assured irrigation sources where the water is being supplied for crops from drought affected mandals through the purpose of drinking water only those areas also shall be treated on par with drought affected mandals. Urban mandals which are not declared as drought affected, shall be treated on par with drought affected mandals for the purpose of drinking water.

4. The Collectors concerned are requested to take immediate further necessary action.

5. The Commissioner and Director of Printing, Stationary and Stores Purchase (Printing Wing), A.P., Hyderabad is requested to see that the notification is published in the extra-ordinary issue of A.P.Gazette.
